- Row 8, Knit All

Repeat Rows 1 - 8 until your piece measures approximately 30 inches or until there is enough yarn left to bind off and attach the piece to a dowel, then Bind Off (or if you choose to not bind off, just slide the stitches onto a dowel)

Tip:

Pull on work to straighten and lengthen the yarn overs and waves as you knit the wall hanging.

Assembly: Optional

After binding off, attach the piece to a wooden dowel using left over yarn and a crochet hook.

Lay the dowel on top of the bind off edge, insert the crochet hook into the first bind off stitch, grab the yarn with the hook and pull back through the bind off stitch (2 stitches on hook), then move the hook over the top of the dowel and grab the yarn with the hook, pull yarn through both stitches on hook.

Repeat until all bind off stitches are attached to dowel.

This gives the wall hanging a finished, put together look.
