Strap:

- Row 1 - Using smaller needles, k1, p1, k1, p1, k1, p1, k1 (7 stitches)
- Leave remaining stitches on the larger needle and turn your work to work the other side of the strap.
- Row 2 - P1, k1, p1, k1, p1, k1, p1
- Repeat strap rows 1 and 2 for 16"
- Using the 3 needle bind off technique, attach the end of the strap to the edge of the first 7 stitches left on the larger needles. Once the 7 strap stitches are bound off put the small needles aside and continue binding off the remaining stitches on the larger needles.

Strap #2:

- Pick up and knit 7 stitches on one side of the cast on end of the bag, then turn your work
- Row 1 - K1, p1, k1, p1, k1, p1, k1
- Row 2 - P1, k1, p1, k1, p1, k1, p1
- Repeat strap #2 rows for 16"
- Bind off strap and sew to other side of the cast on edge (I used mattress stitch)

Assembly:

- Fold the bag in half and line up the rows. Sew the sides of the bag together using the left over yarn. Be sure to leave 1" un-sewn at the top of each side of the bag, this makes the opening at the top of the bag larger.
- Weave in all ends
