Materials:

6 skeins Loops and Threads
Chunky Braid yarn in Light Grey
Approximately 290 yards super bulky
yarn
US size 50 needles

Pattern:

- Cast on 38 stitches
- Row 1 - Knit 2, Purl 2 across the row
- Row 2 - Purl 2, Knit 2 across the row
- Repeat rows 1 and 2 for 62 rows (a total of 64 rows)
- Bind off (loose!), knot the end and cut the tail leaving 4 inches to weave in
- Weave in your ends

TIPS:

- Knit your stitches a little bit loose to make them easier to knit as you move from row to row with the large needles
- To attach a new skein I like to tie a triple knot and trim the excess to the shape of the knot.
- Tighten the knots where you attach the new skeins as tight as you can to make sure it never comes unraveled.
